Falfurrias Station (Supervisor)

361-325-7071

The Falfurrias Border Patrol station has initiated an information campaign to discontinue calling the checkpoint when reporting suspected illegal immigrants. PAIC Robert Gilloon requests that the following numbers be utilized instead: (361) 325-7071 / (361) 325-7015. These numbers are monitored 24/7 and will assist with providing a timelier and coordinated response to reports of illegal activity in the Falfurrias Area of Operations.
