January 22, 2024

To those who break clays, their friends and neighbors, and those who love them(usually), whether you prefer over-under, side-by-side, semi, or pump, the STPRA board, executive committee, and staff would like to invite you to come pull the trigger with South Texans' Property Rights Association at our 2nd Annual Sporting Clays Fundraiser at Mi Ranchito Sporting Clays in Linn-San Manuel, Texas on Saturday April 6, 2024. Last year's event was a great success and fun was had by all.

STPRA is a South Texas landowner based 501(c)(3) organization that prides itself in protecting the private property rights given to every citizen by both the US and Texas constitutions. As such, our board of directors has chosen to focus the association's efforts on ten key areas directly linked to the right to peacefully hold and keep property: 1) Eminent domain, 2) Landowner liability, 3) Taxation, 4) Human and animal health, 5) Border security and immigration reform, 6) Landowner compensation, 7) Prescribed burning, 8) Transportation, 9) Water regulation and conservation, and 10) the Endangered Species Act. Working in these ten areas, South Texans' Property Rights Association has consistently been able to affect positive change on behalf of not only our members, but all Texas property owners.

For over 18 years now, South Texans' Property Rights Association has been at the forefront of efforts to call attention to the natural beauty, prolific productivity, and unique needs of our region of the state. STPRA's efforts on behalf of South Texas landowners are well known. Every year, our staff, leadership and volunteers traverse the 50,000+ square miles that make up this "corner" of Texas countless times, racking up thousands of vehicle miles in the process. Every "odd" year, STPRA staff and leadership devote hundreds of hours at our Texas Capital to protect and promote the interests of our membership.

For all the desire we might have to make a difference, without the generous input and support of our members and the financial generosity of past and present donors, we would be on a very short leash. To meet our financial goals each year, we have been able to rely on our Annual Meeting and Fundraiser which has been enjoyed by thousands over the years and has allowed us to grow to where we are today. Because of our past successes, our board feels that there is more that we can do. To that end, we are asking each of you to help. Not just to give more money, although that is always welcome and will go to great use, but to join us and your South Texas neighbors for food, fun, and fellowship while we work to meet the increasing financial needs of a growing organization!

We have five (5) sponsorship levels available. 4-man teams will have 70 clays per shooter with 2 mulligans available (\$10 each). Our event flyer is attached for further information. Volunteers for the event will be greatly appreciated, with lunch provided in return for your help. STPRA is a 501(c)(3) organization with our tax number provided on the registration form. Please contact Sarah Jones at 361-537-7037 for sponsorships, further information, or to volunteer for this event.

Help us spring into action: PULL!

Sincerely,

Sarah Jones, Membership Director
